Dear Friends!

Greetings from Davangere. The city, located in the heart of Karnataka is well connected with rest of the country by national highway 4 and rail. Earlier famous for its cotton industry and now it is famous for Davangere Benne Dosa, and is an educational hub. Thousands of professionals and students seek education and careers in the medical colleges. It’s our proud privilege to host the 19th annual conference of Indian Association of Medical Microbiologists- Karnataka Chapter. We welcome you and promise you a great academic as well as gastronomic feast!

The preconference CME which will be held on 7th February is planned to discuss the epidemiology, drug resistance and methods of detecting MDR pathogens.

The conference on 8th February, aims at providing a platform for addressing frequently faced issues of drug resistance. Our theme for the conference is “Chennai Declaration: Roadmap for implementation of antibiotic policy”.

Well- distinguished speakers in the field of antibiotic resistance and antibiotic policy will be deliberating over the conference addressing on burning topics.

On behalf of the organizing committee, I take this opportunity to welcome you all for this conference, share your knowledge, experiences and get benefitted.

Looking forward to seeing you at MICROCON KC-2015 and wishing you a pleasant stay at Davangere.

Organizing Chairman
